PROFILE

I am a young creative and passionate professional, aged 22, with a diverse range of skills and a strong desire for continuous improvement. With expertise in graphic design, web development, and video editing, I bring a wealth of knowledge and experience to any project I undertake.

EDUCATION & QUALIFICATIONS

Intermediate Certificate 2020
Information & Communication Technology St. John Paul II College

Throughout my studies, I gained a strong foundation in various aspects of ICT, including programming, networking, database management, and web development. In addition to my coursework, I actively sought out opportunities to expand my knowledge and skills through various workshops, seminars, and online courses. This has enabled me to stay up-to-date with the latest trends and technologies in the industry.

PROFESSIONAL EXPERIENCE

Multimedia Designer Feb 2023 - June 2023
Alpha Audio Works MW

Responsible for creating a variety of multimedia content, including graphics, animations, and videos, for use across different platforms. I also worked on enhancing the company's brand image by creating visually appealing and consistent content for the company's social media platforms. My experience at Alpha Audio Works MW honed my skills in multimedia design and helped me become a more self-sufficient and adaptable professional.

Graphic Engineering Intern Jan 2023 - May 2023
The Pangolins

From designing social media graphics to editing videos and managing social media accounts, I demonstrated leadership and creative skills in uplifting the brand of a youth-led investment firm.

Database Clerk Aug 2019 - June 2021
Beehive Center for Social Entreprises

Responsible for web development and designing user interfaces for the organization's data management systems and external clients websites. I collaborated closely with the development team to ensure that the system and websites were simple to use, functional and user-friendly.
